

Learning from Serious and Fatal Fires

This is a continuing professional development opportunity for managers and frontline practitioners. It aims to promote the lessons learned from serious and fatal fires, for the benefit of the citizens you work with.

As a reflective event this will focus on:

- Serious incident data
- Case studies
- Safe and Well referral mechanisms
- New online learning opportunities

Booking is via Eventbrite, the password required is 'SafeandWell'

There is the option of attending either morning or afternoon on each day:

(AM 1000-1230 and PM 1400 – 1630)

Birmingham 11th September 2019
Wolverhampton 16th September 2019
Walsall 18th September 2019
Coventry 20th September 2019
Solihull 24th September 2019
Sandwell 25th September 2019
Dudley 30th September 2019
